Annual Southern States Meeting To Be Held July 23

The local Southern States Cooperative annual membership meeting for the Appomattox area will be held July 23, 1975.

This decision was made by local farmer-members at a recent annual meeting conference held by Coleman & Sons, Inc.

Among the features of this year's session will be reports on operations of both Southern States Cooperative and the local agency for the fiscal year ended June 30. The Southern States report will also take a look at the way cooperatives were useful to a largely agrarian society in the early days of this country. Emphasis will also be placed on the responsibilities that co-ops and members have to each other, and the need to expand cooperative organizations to insure their future role in the nation's agriculture.

In addition there will be elections, or report on elections, and other business matters.

Attending the planning session were Dan and Ronald Coleman, managers of Coleman & Sons, Inc. and G. Maxey Slater, a member of Southern States Cooperative's regional headquarters staff, at Richmond.

Also at the session were the following members of the local board and Farm Home Advisory Committee: Mr. James R. Ford, Jr., Mr. E. M. Covington, Mr. and Mrs. John H. Goin, Mrs. I. Watts Moore, Mr. and Mrs. E. M. Stratton, Mrs. R. C. Winston, and Mr. and Mrs. J. B. Drinkard, Jr.

Transco To Finance Gas Search

HOUSTON, Texas - Transcontinental Gas Pipe Line Corp., a wholly owned subsidiary of Transco Cos., Inc., has completed two advance payment agreements with Atlantic Richfield Co. The agreement covers Atlantic Richfield's interests in 14 blocks offshore Texas, containing approximately 50,000 net acres. One agreement covers Atlantic Richfield's 20 per cent interest in three blocks of the High Island Block 110 Field. The second agreement covers Atlantic Richfield's average interest of 73 per cent in 11 wildcat and semi-proved blocks in the High Island and Brazos areas offshore Texas.

Under these agreements Transco will make interest free advances to fund Atlantic Richfield's exploration and development programs, and receive a call on all gas found and to be produced under these blocks.

Transco Companies, Inc., an energy-supply company, is the parent of Transcontinental Gas Pipe Line Corp., a major interstate pipeline system for the purchase, sale, and transportation of natural gas from Texas and Louisiana to the eastern United States. Through various other subsidiaries the company is engaged in exploration for oil and gas both onshore and offshore in the U.S. and is pursuing projects for obtaining pipeline-quality gas from synthetic and supplemental sources.

Memorial Day

is a time for quiet reflection. A time to honor our servicemen of past and present. And, as we rekindle the memory of what they have given to their country and to each of us, we also prayerfully work and hope for peace. Across the land there will be parades and speeches of commemoration. It's our way to proudly and reverently give thanks.
